--------------------------------------	---------	--	---

## Notes

---

This register is maintained on an ongoing basis and reflects the current state of the engaged services and external processors.

For all US-based providers, Standard Contractual Clauses (SCC) pursuant to EU Commission Decision 2021/914 are in place.

Changes to the sub-processor list are communicated in accordance with the contractual arrangements (Terms, DPA).

All data transfers are conducted over encrypted connections (TLS 1.2+).

External development providers: With the processor listed in category 10, a sub-processing agreement pursuant to Art. 28(4) GDPR is in place under the pass-through principle.

Customer-support & customer-success freelancers: Currently, Mr. Noah Rieser (sole proprietor, Austria) is listed by name in category 11 as customer-success and support partner. Beyond the persons listed, All Media FlexCo may engage further external freelancers to provide customer-support or customer-success services. Such persons are bound by an onboarding agreement (confidentiality, data protection, sub-DPA under the pass-through principle pursuant to Art. 28(4) GDPR). Further persons will be disclosed to the controller by name upon request. Legal basis and modalities: § 4b and § 5.6 DPA; see § 8a Terms.

The current sub-processor list is also available online at [allmedia.ai/privacy](https://allmedia.ai/privacy).
